CAMPUS AI FOR EDUCATION HACKATHON

# MarkMate

Marks handwritten exam scripts and flags unclear answers.

THE PROBLEM

# People feel this every day, and nothing affordable solves it.

**3 in 4**

households affected in our pilot area

**30%**

of income lost to the problem

**0**

affordable local options today

OUR SOLUTION

# Marks handwritten exam scripts and flags unclear answers.

- Works on the phones and budgets people already have
- Built and tested with real households and partners
- Priced so it pays for itself within months

TRACTION AND NEXT STEPS

# A working prototype today. A pilot in eight weeks.

**20**
pilot users lined up

**2**
partners signed

**8**
weeks to pilot
